| **ABSTRACT** | The DeSyRe Project internal collaboration tools are mainly supported by the DeSyRe project portal. The purpose of this portal is to provide a consistent mechanism for sharing project technical and administrative documentation and status with all project partners. This document describes the status, the structure and the update procedure for the portal. The DeSyRe Project Portal is available at the direct link: http://www.desyre.eu:8080/redmine/login In addition, the project has a dedicated tool for supporting our teleconferences. |
